§ 201.51 Filing and service of documents.

Any application for an award or other document related to an application shall be filed and served in the same manner as other papers in proceedings under the Commission's Rules of Practice. In addition, a copy of each application for fees and expenses shall be served on the General Counsel of the Commission.

§ 201.52 Answer to application.

(a) Within 30 days after service of an application, counsel representing the Office or Division of the Commission may file an answer to the application. (b) If counsel for the Office or Division of the Commission and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted upon request by agency counsel and the applicant.

(c) The answer shall explain any objections to the award requested and identify the facts relied on in support of that position. If the answer is based on any alleged facts not already in the record of the proceeding, it shall in-

§ 201.54 Settlement.

The applicant and counsel for the Office or Division of the Commission may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding or after the underlying proceeding has been concluded, in accordance with the Commission's standard settlement procedure. See 17 CFR 201.240. If a prevailing party and counsel for the Office or Division of the Commission agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement. If a proposed settlement provides that each side shall bear its own expenses, and the settlement is accepted, no application may be filed.
